Respect Paid to Late Williamstown Councillor

Members of Williamstown Council stood in silence for one minute before the start of their meeting on Monday in memory of the late Cr. Lionel Burgoyne who died last week.

A letter is to be sent to Mrs. Burgoyne and her family expressing the Council's condolences on the loss of her husband. Cr. K. White suggested that all the councillors sign the letter as a symbol of their respect.

An expression of thanks from Mrs. Burgoyne was conveyed to the Mayor, councillors, officers and staff of the council for the manner in which they lined the route of the cortege at the funeral last week.

The Traffic Officer was also thanked for the work he had done in controlling the traffic and ensuring that everything went smoothly.

The place Mr. Lionel Burgoyne had in the life of Williamstown was clearly shown in the packed assemblage at the funeral service at the Electra Street Methodist Church.

In the congregation were Hon. A. W. Knight, M.L.C., Mr. L. Floyd, M.L.A., all Williamstown councillors, the Mayor of Altona, Cr. P. A. Burns and Altona councillors, W. L. J. Crofts and P. J. Lynch.

Representatives of many local organisations were present. These included members of the Lions, the R.S.L. and the Williamstown Lacrosse club.

Rev. A. K. Wilhelms spoke of the widespread activities of Mr. Burgoyne, both as a councillor and as a citizen of Williamstown. People should think of him and his work, it could be an inspiration to many.

At the Memorial Park Crematorium the final obsequies included a Lodge and R.S.L. service.

On March 7 an extraordinary election will be held in North Ward to fill the vacancy caused by Cr. Burgoyne's death. Nomination of candidates will close on Wednesday, February 18 at 4 p.m.

Arrangements are being made for the usual polling booths to be made available should an election be required. It is anticipated that polling places will be located at the Dispensary Hall, Davies Street, Newport, John Street Church of Christ Church Hall and RVB Engineering Products Ltd. Showroom, Hall Street, Spotswood.

More Parking on Esplanade

More parking is being provided for visitors to Altona beach. Another property has been acquired by Altona Council on the Esplanade between Pier and Bent Streets and the picture shows the shop on the site being demolished.

CASE DISMISSED

A case against Mrs. Zalie Merritt of Davies St., Altona, of failing to give way to a vehicle on the right at an intersection, was dismissed at Williamstown Court on Friday.

Mr. Gregory Grech of Stirling Avenue, Altona, said he was riding his bicycle along Civic Parade when he saw a car at the intersection with Pier Street.

He slowed down and thought the car was also slowing down, so he continued across. He was about halfway across Pier Street when the car moved out to turn right into Civic Parade and hit the rear of his bicycle, and then drove away.

Const. Heyden said when he interviewed Mrs. Merritt at her home she told him she did not think there had been an accident. She said she had driven up Pier Street, and stopped at the intersection with Civic Parade when

she heard a bang and saw the cyclist had hit her car.

Mrs. Merritt told the court that when she stopped she saw the boy on the bicycle on the footpath and she did not think he was going to cross the intersection.

She was stationary waiting for cars on her left to pass and as she turned her head to the right the cyclist drove past her and hit the left-hand side of her car.

She drove round the corner and stopped her car and when she looked back she saw the boy riding away.

Later that day she went to the police to see if the accident should be reported.

Librarian Escapes Serious Injury

Altona City Librarian Miss Cynthia Paltridge had a narrow escape from serious injury when her car was hit and damaged beyond repair by a truck out of control on Geelong Road.

The accident occurred on the Friday before the Australia Day weekend.

On her way to work Miss Paltridge was travelling in a line of traffic when the truck, out of control, side swiped and damaged seven vehicles.

Miss Paltridge woke up in the Footscray Hospital but was soon discharged.

Over the long weekend she was able to recuperate from the shock and bruises and returned to work when the library re-opened on the Tuesday.

STOLE BACON

Mr. Jack McLeod of Marigold Avenue, Altona North, was fined \$50 at Williamstown Court on Friday after he had admitted stealing a packet of bacon and tin of shoe polish from a shop in Altona North. He told the court that he did not know why he had taken the articles without paying for them.

Altona Nurse Honoured

Sister Joyce Vincent of Medford Street, Altona, was one of the six nurses chosen from the Royal District Nursing Service for the Guard of Honour for the Prime Minister, Mr. John Gorton, when he officially opened on Monday the 1st International Congress on Domiciliary Nursing being held in Melbourne at Clunies Ross House.

Both on the arrival and departure of Mr. Gorton, Sister Vincent opened the car-door and was personally thanked by the Prime Minister.

Sister Vincent has worked for the Footscray Centre of the Service for the past five years and before that was on the staff of the Sunshine Hospital.

She has lived in Altona for seven years.

Body Recovered Off Altona Pier

The body of a four-year-old boy was recovered this morning by the Police Search and Rescue Squad from the sea off Altona pier.

The lad, a local, went swimming yesterday and was reported missing last night.

As yet, his name has not been released by police.

TEN-YEAR-OLD SAVES TODDLER

Cindy Lou Bamber, 21 years, of David Street, Altona, is probably only alive today because of the quick thinking of another girl, 10-year-old Glenice Lee.

Last Saturday Cindy when staying at the Lee home in Civic Parade partly pulled out an electricity extension lead plug and slipped her thumb into the space onto live pins and received an electrical shock.

First re-action from Glenice was to switch off the current and this probably saved Cindy who has a severely injured thumb and is under medical care.

Vacancies For Musicians

The Country and Western section of the Altona Music Society has vacancies for both male and female musicians of any age.

Anyone interested who can play the piano, violin, Hawaiian steel guitar, lead guitar, bass guitar, drums, mandolin, banjo mandolin or banjo are asked to contact the Bandmaster, Mr. F. Manning, at the Altona Music Centre, Queen Street, Altona.

THIEVES ACTIVE

Thieves entered Gray & Avison's Newsagency in Pier Street, Altona, last week-end.

They entered the shop by cutting their way through the ceiling and stole about \$50 in small change. No stock appears to have been taken.

The robbery was discovered when the shop was opened on Monday morning.

Not so successful were the would-be thieves who broke the shop window of McDonald's Hairdressers in Railway Street, Altona, early this morning.

They set off the burglar alarm which apparently frightened them away without taking any goods.

The alarm continued to ring until employees arrived at work at 9 a.m.

Collided With Parked Car

After colliding with a parked car in Melbourne Road, Spotswood, Clifford Briggs, of Grieve Highway, Altona, failed to stop.

He was fined a total of \$60 at Williamstown Court on Friday after pleading not guilty to failing to stop after an accident, failing to give his name and address and driving carelessly.

Mr. Joseph Stepanovsky, of Rosshire Road, Newport, said he was driving his car along Melbourne Road when he saw the car driven by Briggs hit a parked car and not stop.

He turned his own car around and followed Briggs, got the number of the car and reported it to the police.

Const. Gibbons went to the scene of the accident and saw the parked car, which was extensively damaged.

When questioned about the accident Briggs said he did not know why he had collided with the car and could not say why he had not stopped after the accident.

Briggs told the court that earlier on the day of the accident he had had a finger amputated and had not been feeling well prior to the accident. How the accident had happened he did not know.

TWO DRIVERS FINED

The drivers of two cars which were involved in an accident in Millers Road, Altona, in August last year appeared before Williamstown Court on Friday.

David Hardy, of Pine Ave., Werribee, pleaded guilty to failing to give way to a vehicle on the right. He was fined \$10.

Donald Heys, of Jack Street, Newport, admitted driving with a blood alcohol count of more than .05. He was fined \$60 and was disqualified from obtaining a driving licence for three months.

Const. McMahon said Hardy went to the police to make a statement about an accident he had been involved in in Millers Road, Altona.

He said he had stopped at the intersection with Kororoit Creek Road. A driver on his right waved him across and then, as he was crossing, another car drove round the stationary car, and collided with him.

Const. Benarik said he went to the scene of the accident and found both cars extensively damaged.

He spoke to Heys, one of the drivers, and noticed his breath smelt of alcohol. A breath test showed he had a blood alcohol count of .09.

Bishop Dann will be at St. Eanswythe's Vicarage at 7.30 p.m. on the evening of Sunday, February 15 and together with the Vicar, wishes to brainstorm with all interested parishioners about the parish's work. Such, and many more, are the questions you are invited to share in discussing, in a preliminary fashion on February 15. It is hoped some plan of attack at these problem will emerge from the meeting. You're interested? Then come!

Val's Column

Hello Girls,

Why, oh why, don't we realise new style bathers mean never tanning before skin is often exposed? Pale and tender, these areas need a lot of extra care while out in the sun the first few times.

Too late the blisters, raw meat and uncomfortable nights. We should know by now our suntan products for best results, but still too many are in need of sunburn remedies.

Creams to give rapid and prolonged relief, to cool and calm the hurt. Mostly we are too sore to have a helping hand touch. A spray Solarcaine spray straight onto the minor skin, painful areas for relief of sunburn. It also helps retard ugly blistering and peeling.

The local anaesthetics cool, soothe and combat dryness, the antiseptics reduce risk of infection.

For feminine coolness on the hottest days, something light, to use lavishly, sprinkle on and immediately be refreshed. Yes, Light and Lavish a splash of fragrance from Tweed. Your favorite perfumes too strong on hotter days? Try this new way to feel refreshed and be admired.

We do all we can to have an all day cool, calm look. Now take an oily skin. Revlon knows just how to deep clean your complexion. An all day fresh look. Cleanse off the excess oil that is choking the pores that bring blackheads and embarrassing blemishes. Stop your troubles before they start.

You have a choice — Nature Wonder Skin Lotion, favoured because it is a cleanser and freshener in one. Reduces oiliness, tightens up the pores.

Altona Beach

The state of certain sections of the Altona beach is bad. Objective criticism of its condition by correspondents is justified.

But while the evil is for all to see and smell, the cure is not as easy as is suggested.

Indiscriminate removal of seaweed is definitely not the answer. Beach cleaning machines would be useless under prevailing conditions.

The policy of the City Engineer may not give as much effect as is desired, but it is a consistent approach to the problem. He has added to the volume of the sand and endeavoured to conserve it by not too frequent removal of seaweed (and sand).

As to the Mulga Street drain, it and the Civic Parade drain, are facts of life as far as Altona is concerned.

Until their more noxious aspects are removed with the coming of sewerage, remedial measures, more on the lines introduced by the Engineer will assist.

There is a menace to health but extensive diversion of these drains cannot be warranted with the imminence of sewerage.

Council must give consideration to Dr. J. Leyden's suggestion that no swimming be allowed near the Mulga Street drain.

And on the subject of Altona beach, let us give credit where due. A walk along the foreshore shows how much the Altona Council is improving the frontage for present and future generations.

The maintenance of old trees and shrubs and the careful nurture of new plantings are impressive examples.

Drugs Talk For Rotarians

At a recent meeting of Altona Rotary, rotarians listened to an interesting talk by Senior Constable Max McHugh, a member of the Narcotics Squad.

His subject was "The Threat of Drugs" and he pointed out some surprising facts, the first being that in Victoria there are large numbers of people who are addicted to the use of normal drugs that are easily obtainable through legal methods.

Many women are addicted to the ordinary analgesic tablets such as APC and aspirin. The danger lies in people increasing the dose rate without seeking medical attention.

The most widely known drugs of addiction are sedative tablets known by various names and containing bromide which has insidious side effects, one being that it builds up in the muscle fibres, takes a long time to pass through the system, and leads to malfunction of the liver and kidneys.

The next dangerous drugs of addiction are the amphetamines type of stimulants sold under various names in the form of pep pills. The biggest users of these pep pills are known to be interstate truck drivers.

The greatest danger with these drugs is that the users, after taking them for some time, build up a tolerance and must take increasingly larger doses. The effect of a large dosage of this drug is to narrow the field of vision, and has been the cause of many vehicles running off the road for no apparent reason.

Many people have progressed from these amphetamines to the depressant tablets whose main constituent is barbiturate which has a similar effect to bromide, and has been the cause of many deaths.

Marijuana, although claimed by many people to be harmless, has harmful side effects. It affects the optic nerve and in some people puts the eyes completely out of focus. Also it is known that all the known heroin addicts in Australia have at some time used marijuana.

It is believed that there is a natural progression from the pep pills to the depressants, to marijuana to heroin, morphine, opium or its derivatives.

The main object of the Police Forces at present is to keep drugs from the criminal elements who, as overseas experience show, go to great lengths to create addicts, even among school children.

THE CURTAIN RISES

What is the Williamstown Little Theatre?
A rash answer might be that it is a building in
Albert Street where plays are performed.

Closer examination of the
question brings the realisa-
tion that the building is only
the venue for the Theatre's
activities and therefore is no
the Theatre itself.

WHAT THEN IS THE
W.L.T?

Basically it is a group of
people whose interest in the
performing arts is strong
enough, and whose sense of
dedication is great enough
for them to devote a great
deal of time and energy
both physical and mental,
to ensure that Williamstown
has a Theatre and one with
standards of production of
which the community as a
whole can be proud. In re-
viewing the Melbourne
theatrical scene at the end
of 1969 one influential
theatre critic named a pro-
duction by the W.L.T. as
one of the city's theatrical
high spots for that year.

It is then, this hard core of
actively participating mem-
bers who are the Theatre.
Participating does not neces-
sarily mean that they get
up on stage and "do their
thing" at the lift of a cur-
tain. There are constantly
active members who seldom
if ever, appear on stage.

The theatre's amateur
status means that the people
involved work for love,
their only reward being the
considerable enjoyment they
get from the activity itself.

The most important
question facing most ama-
teur groups today is "where
will we be in 10 years time"
and without a constant in-
flux of new blood, fresh
energies and ideas no or-
ganisation can survive the
next decade.

To maintain the high
standards that are the result
of years of hard work and
dedication the theatre needs
people. People with ideas
and imagination, people
with talent, because this is
the very essence of theatri-
cal activity. Talent is a
peculiar and sometimes dis-
concerting word.

To be talented does not
necessarily mean to have the
ability to sing or act or look
beautiful or dashing in 17th
century costume. Talent can
mean the ability to smile
as one shows an audience to
its seats, even if your feet
are killing you; to work in
close harmony with a group
whose sole aim is to do a
job as well as it's possible
to do it.

on the work of the Victorian
Railways.

come but do not be dis-

ROTARACT CLUB IN ALTONA

Altona is very fortunate in having one of the first Rotaract Clubs in Victoria. A Rotaract Club is a non-sectarian, non-political service club sponsored by Rotary.

It brings together young adults of good character and leadership potential to stimulate among its members acceptance of high ethical standards in all occupations. It develops leadership and responsible citizenship through service to the community and to promote international understanding and peace.

The Rotaract Club of Altona is open to both young men and women between the ages of 17 and 25.

Rotaract is still a relatively new organisation but is rapidly expanding throughout the free world.

The first club was formed in North Carolina, USA, in 1966-67.

From this start it has spread across the USA and

then across the Atlantic and Pacific Ocean.

Today it is represented in such distant places as Portugal, India, Italy and South America.

Australia followed very shortly and Rotaract Clubs are appearing in many parts of Australia.

Rotaract provides the opportunity for young people to meet and develop friendship and the satisfaction of providing service to others.

The activities of the Club comprise Community, Vocational and International Service.

The function of Community Service is to formulate and develop projects to serve the community.

Vocational Service aims to stimulate awareness and acceptance of high ethical standards in trade, business or profession.

International Service aims to engender international understanding and has the opportunity to do this because of Rotaract's already wide representation around the world.

The Rotaract Club of Altona is in its infancy but is very active and at present is devoting much of its energy to gaining new members.

Further growth in membership will enable this Club to become both a centre of friendship and a source of the satisfaction of being of service to others.

The President at the Rotaract Club of Altona is Miss Sue Leyden (398-2415) and it is her hope and the hope of all the members that this new organisation will succeed in the pursuit of its ideals.

It is their hope that many others will join them in this enterprising venture.

Classes Restart

Highland & National Dancing classes will restart on Wednesday, February 4, at 4 p.m. in the Methodist Church Hall, Seves St., Altona. Children over 4 years welcome. Enquires phone 398 1414

Man's Best Friend

YOU CAN TRAIN HIM
The Hobson's Bay Obedience Dog Club has an outstanding record for its achievement in welfare work. Apart from giving demonstrations at Moomba this year, St. John's Ambulance on March 15, they and other Obedience Dog Clubs join together and collect for the Children's Hospital and Good Friday.

On Saturday 14th March, the public will have an opportunity of seeing locally two demonstrations at the Footscray and District Hospital Garden Fete.

There is one point this Club makes clear it does not take an owners dog and train it; they teach you how to train your own dog.

If you are a member of the Club, you take your dog along to the training ground where their instructors show you what is needed.

Following each lesson, you take your dog and put what you have learned into practice. You'll be amazed how quickly your pet will come around to your way of thinking.

See for yourself at the Footscray and District Hospital Annual Fete on March 14.

Williamstown Youth Centre

The Williamstown Youth Centre will commence activities for this year on the following dates:—

T.P.I. Social Club

Seventy-two members had an enjoyable afternoon at cards on January 29, the afternoon being opened in the usual way with "Lest We Forget."

Card winners: Ladies, Mrs. C. Gambrell, Gents, Mr. J. Miller.

Club members wish all those ill in hospitals and at home a speedy recovery.

The next card afternoon is at 1.30 p.m. on February 12 in the Manchester Unity Hall, Footscray.

Ladies' Auxiliary Meeting is to be held on February 5 at 1.30 p.m. in the Manchester Unity Hall, Footscray. All ladies are welcome to attend.

Altona Spastic Aid

On Friday, January 23, the President of The Altona Spastic Aid, Mrs. Josie Nicholls, had the pleasure of accepting a cheque for the sum of \$12.50 from Miss Jeanette Honeyman.

This sum was raised by the children of the Altona 2 Play Centre which was held at the Langshaw Reserve.

The children took part in a Walkathon and parents were the main sponsors of walkers who had to negotiate the circumference of the Langshaw oval once.

The play leaders Lloyd, Alan, Meryl, Leonie, Mary Ellen, Rita and Wendy walked backwards around the oval.

St. Eanswythe's Young Wives

"Getting to Know You" is the theme of the first 1970 meeting of St. Eanswythe's Young Wives Group.

All young wives are invited to this fellowship at 8 p.m. on February 10 at the home of Mrs. Marg Duckett, 161 Blyth Street, Altona.

ALTONA CAMERA CLUB

With most members returned from annual leave and many new faces, last Friday's meeting got off to a good start.

The results of the January competition were announced, the certificate winners being: Beginners (Black and White). — Highly Commended, John McMillan.

Advanced (Black and White). — Highly Commended, Ray Hambling.

Color. — 1st, Ray Hambling; 2nd, John McMillan. Highly Commended, Keith Paterson.

The club has organised a bus trip for February 22 to Healesville. Those wanting to go should add their names to the list quickly as it is filling up fast.

The February competition theme is "Open" so do get busy with entries. They can be any subject of your own choice.

B Grade will be judged monthly as usual. A Grade has been changed in-as-much as you enter each month's prints on any subject and these will be judged quarterly by an outside judge.

At the next meeting, to be held on February 13, a talk by Bob Hawkins on Newspaper photography should be interesting.

The Altona Camera Club meets each Friday of the month (except the first) at "The Homestead," Queen Street, at 7.30 p.m. For further details ring 398-1937.

ALTONA SQUARE DANCE

The Square Dance scene looks bright for 1970 with many new faces anxious to learn the finer points of modern square dancing.

At the supper break last week Parer McDonald entertained by showing a movie taken of square dancers and friends at the New Year's Eve Party — what fun everyone had.

The Altona Square Dance is held every Thursday night in the Youth Hall, Civic Parade. Dancing 8 to 11.15 p.m. to the popular caller David Hooper. Ring 398-2708 for details.

Drinking And Gambling In Cafe
When police went into the rear rooms of a cafe in Melbourne Road, Newport, they found men gambling and drinking beer.

On Friday at Williamstown Court, Joan Olsen, of Melbourne Road, Newport, admitted selling liquor without a licence. She denied permitting gaming in the cafe.
Const. Gibbons told the court that he went into the cafe and in a room at the back found two men drinking beer. In another back room they found about seven men sitting around a table playing cards. A large amount of money was in front of each man.
Olsen told the police the men were only having a friendly game of cards. She admitted selling the beer and

TOO DRUNK TO TAKE BREATH TEST
After drinking brandy at the Southern Cross Hotel, where he worked, Milda Mihalovic of Mitford Street, St. Kilda, drove his friend's car home. When stopped by the police he was too drunk to take a breath test.

At Williamstown Court on Friday he admitted driving under the influence of drink, driving without a driving licence and failing to park the car close to the left-hand side of the road. He was fined a total of \$210.

Const. Cogan said he went to Hall Street, Newport, as a result of a complaint from a passing motorist. He saw a car parked about six feet from the kerb and inside Mihalovic was slumped over the wheel.

He refused to get out of the car and the constable had to drag him out. He smelt strongly of alcohol and could not stand without assistance.

He was taken to the police station but because of the degree of intoxication a breath test could not be taken. When asked for his driving licence Mihalovic said he did not have an Australian one, only a Yugoslavian one.

He said he had drunk about four or five glasses of brandy at the Southern Cross Hotel where he worked, but it had not been good for him and had made him sick.
Speaking through an interpreter, he told the court

that he did not make a practice of drinking but he had been drinking brandy and it had disagreed with him.
He had been waiting for a friend to take him home, but after waiting about an hour he had decided to drive the car himself.

W.S.T.T.A. RESULTS

By defeating Footscray last week the Kingsville team of Jim Montgomery, Paul Mitchell, Stephen Hayes and Ted Viess gained top position from Newport on the Western Suburbs Table Tennis A Grade Ladder.

With Paul Mitchell in their line-up Kingsville cruised to a 9-2 win with Montgomery and Mitchell each winning 3 rubbers.

Newport, in a mid-season slump, lost again to Liston Esplanade 5-6, to slip back to second place, while Liston took third place from Footscray who dropped to fifth.

Williamstown, with Steve Slattery in great form winning three rubbers, won a tight game over Polonia at 7-4, and so moved into fourth position ahead of Footscray.

In B1 Maribyrnong, the leading side, went to a two game lead after receiving a walkover from F&T.

Centre's cagey veteran Jack Wylie featured in one of the longest and most tense rubbers seen in a pennant match for years. Playing in a 35 minute encounter against Footscray's consistent and determined Dick Ross, Jack finally won out 18-21, 21-14, 21-18, and Centre won 7-4 to take second place from a below-strength Footscray.

Australian Glass were also without a third player and lost narrowly to Westerners, 6-5. Darryl Goucher was best for Westerners with two rubbers.

Most exciting B2 Grade Thursday night match was between Avondale Heights and Altona. Brian Scott and Bob Brookfield were the only winners for Avondale, each winning 3 rubbers, which allowed Avondale to scrape home 6-5 and retain third place.

Top side in B2 Reckitt & Colman received a walkover to maintain a narrow lead over second team Ballarat Road Methodists who defeated Kingsville YMCA, 7-4.

In C2 Grade, Goetz retained top position with an 8-3 win over Seaholme while M.P.D. defeated Union Carbide 7-4 to snatch second place from Seaholme who drop to third.

F&T Carpets C3 scraped

home from Oliver-Davey to wrest top place from Australian Glass who gave Altona an 11-0 walkover.

Williamstown Youth Centre played one of their best games for the season but lost 6-5 to F.I.T. Peter Reitman was in outstanding form for Williamstown Youth, winning his three rubbers.

Explosives D3 handed out to Reckitt & Colman their first defeat for the season at 6-5. However, Reckitt played with only two men.

Snappers D3 defeated Bristol Paints 10-1 to consolidate second place, while Ballarat Road Methodists downed reformed Outlaws 9-2, and so drew a little closer to second place held by Snappers.

In D5 Grade Newport Post Office showed their superiority by downing Sunshine Nth. 10-1 to go further ahead on the premiership ladder.

F.E.W. D4 won well from Avondale Heights at 8-3 with Ron Fowler and John Evans continuing a good run, both being undefeated on the night in singles rubbers.

St. Mary's "F," improving with every game, were too good for AGM, winning 10-1 and could possibly push Avondale from third spot. Doug Pearce defeated John Hewitt to win AGM's only rubber.

On Monday the best match of the night in E1 was St. Mary's "D" versus North Footscray Youth Club where victory went to a very young St. Mary's side, 7-4. Both sides are now dead level on the ladder, each recording 36 points, 88 rubbers.

By receiving a walkover St. Mary's "C" moved into third place ahead of Esso Tigers who defeated an improving St. Mary's "E" 7-4.

In E2 Grade Sunshine were defeated surprisingly easily by North Footscray 10-1. Newport Post Office and Esso Tigers also had easy wins to retain their relative positions on the ladder.

REYNOLDS BROTHERS SHARE CYCLING HANDICAPS AT WILLIAMSTOWN

The Reynolds brothers, Martin and Tom, won three of the four races on the card between them at the Williamstown Cycling Club meeting last Saturday.

Races consisted of half and one mile handicaps and graded scratch races.

Martin Reynolds carried off the first heat of the half-mile with Tony Robson second and Ian Salter third.

Leon Constaninou won the second heat from Bill Groome Jr. with Tom Reynolds third. Martin chalked up his first win with a determined effort in the half-mile final followed by Leon Constaninou in second place while Bill Groome Jr. finished third.

Leon won the first heat of the one mile handicap from Tom Reynolds with Geoff Salter third.

The second heat went to Martin Reynolds with Ian Salter second and Tony Robson third.

After appearing in a hopeless position at the bell lap Tom Reynolds "flew" home to snatch a narrow victory in the one mile final.

Ian Salter, or "Mr. Consistency" as he could be known, finished second with Martin Reynolds third.

Martin completed a winning double by taking out the two mile B Grade scratch race ahead of Bill Groome Jr. with Alan Simpson third.

Geoff Salter continued his dominance in the A Grade section by scoring a comfortable victory in the A Grade five miler.

His brother, Ian, finished second while Tom Reynolds was third.

CHURCH CRICKET

Round eight of Western Suburbs Protestant Churches Cricket Association was completed last Saturday and runs seemed easier to get than the previous week.

Most of the declarations on the first day were to no avail as after all, only 3 games were finally decided on outright decisions.

With only 2 rounds remaining all grades are in most interesting situations with 5 or 6 sides having chances to participate in the finals.

Unluckiest player of the day was A Grader Brian Hayes who was dismissed at 99 for Yarraville Baptists.

Others to do well included Just with 52 for Tottenham Baptists and Lincoln Erm, 50, for Paisley St. Baptists, Stu Culbard 5-62 for Kingsville Baptists and Ian McPherson 6-36 for Barkly St. Methodists.

In B Grade Ron Mackie and Kevin Sandells had a great partnership of 154 with 54 and 81 n.o., respectively, for Christ Church. Martin made 54 for Seddon-Yarraville Congs., Ray Lawerson took 5-22 for St. Stephen's Jim Maynard 6-34 and 5-23 for Newport Baptists, and Ballarat R. Methodists's Alby Richardson, 5-60, and Malcolm Berryman, 5-24.

In C Grade, John Diener was also unlucky with 93 for Altona Presbyterians to miss his century. Alan Maloney made 69 for St. Andrew's, Footscray.

WILLIAMSTOWN DEFEAT KEW EASILY ON FIRST INNINGS

As anticipated Town proved far too strong for a struggling Kew and in convincingly defeating them have now registered its eighth successive win for the season.

This win has given Town a stranglehold on a place in the finals and only a severe lapse of form in its remaining three engagements could endanger its position.

Fortified by its solid score of 247 of the previous week Town was quickly on the job and in its opening over secured its first wicket.

On the last of Ray Salter's over "Dizzy" Dyson brought off a magnificent catch at short forward leg to dismiss Williams.

This set the pattern of first class fielding which helped Town to keep a vice-like grip on the game.

The advent of accomplished spinner Tommy Seal spelt the doom of Kew's hopes for victory.

Opening bat Noel Cust, 29, together with 15-year-old Joe Mulligan, 23, and keeper Bob Davies, 30, were the only bats to provide any worthwhile resistance to Town's progress to success.

At tea Kew were 6 for 100 and well behind the clock in its bid to bridge the gap.

Davies, who had batted for 15 minutes prior to the adjournment for no runs, injected some life into Kew's innings when he smashed up a vigorous 30 and was particularly severe on Seal.

However, the crafty spinner eventually won the duel by bowling Davies.

This wicket began another collapse and Kew had slumped to 9 for 148 when its captain surprisingly declared the innings at 4 for 34.

Tommy Seal sent down 20 overs without being relieved and returned the splendid figures of 5 for 44. He has now taken 42 wickets for the season, his first since his return from Footscray.

In the time remaining Town took the opportunity to increase its percentage and at stumps had reached a sound 1 for 74 in even time.

Openers Peter Hayward, 34, and Barry McConnell scored 51 between them for the first wicket.

Williamstown resumed its first innings at 1-46 chasing the total of 136 compiled by Kew.

The Seconds had a comfortable win to continue their unbeaten run since just after the Christmas break in the 1968-69 season.

Kevin Tweedly and John Roberts carried on with their good form of the Australia Day match by making 34 and 45 n.o., respectively.

Other batsmen to do well were Skillen, 33, and Bert Park, 26.

Town declared at 7-192 and bowled their spinners for just over 80 minutes to have Kew 3-2 at one stage, but had to be content with first innings points.

WILLIAMSTOWN'S UNDER 14 XI PREMIERS IN R. M. HATCH COMP.

Playing in its second season of the R. M. Hatch competition, Williamstown's Under 14 team performed splendidly and in going through the series undefeated emerged as the premier team.

These matches were played over a three week period, commencing on January 12, 1970, with the final at Waverley on January 29, 1970.

Apart from its fine team-work and spirit the chief factor in the team's sensational success was the outstanding efforts of team captain Tony Paone, easily the most accomplished Under 14 player in the competition.

Tony scored the amazing total of 545 runs, hit two centuries and finished with an average of 77.87.

He comes from the Altona Presbyterian Club.

Greg Tweedly of Electra St. Methodists was vice-captain and David Norman of St. Stephen's was deputy vice-captain.

The boys were managed by Mr. W. O'Dwyer, Town's First XI scorer.

They were coached by Williamstown's captain and coach Robin Dyson, ably assisted by Bob Ducrow, Norm Shaw and Doug Gibson.

Four of the boys received trophies. They were Tony Paone, batting, David Norman, bowling, Paul Iley, fielding, and Glen Davis, best club spirit.

The boys, together with their parents, will be entertained shortly at a premier-ship celebration night.

ALTONA FIRST XI

ALTONA SCORE HIGHEST
TOTAL SCORE SEASON TO
BEAT TELEGRAPH

The First XI assured themselves of a place in the finals by scoring 280 runs for 6 wickets in reply to Telegraph's 9 for 254 comp. close at the Domain Oval on Saturday.

Hero of the Altona innings was Brian Garde who scored a brilliant 82 runs and was the backbone of the innings.

Brian is playing in his first season with Altona after being recruited from the local church competition at the commencement of the season.

Garde and Ray Duckett opened for Altona and figured in the best opening stand for the season by scoring 81 runs before Duckett was out lbw for 42 well-made runs.

Captain John Cooney then demoted himself in the batting and elevated Jim Page to face the spin attack of Telegraph.

Jim scored a bright 21 runs including two sixes before being caught at leg slip.

Jack Deller followed Page but had scored only 10 before being caught close in on the leg side.

Altona were now 3-132 and still requiring 123 runs for victory.

Alec Merrill joined Garde and these two took the score to a healthy 3-163 at tea with Brain on 63.

The score grew steadily to 188 before Merrill was out caught for a very useful 39 in a partnership of 56.

Tony Paone, playing his first game with the senior eleven, was next batsmen in but was unfortunately run out without scoring. The selectors feel that Tony will be a big asset to the club in future seasons and his consistency with the Second Eleven certainly warranted his promotion.

Altona had now lost 5 for 188 and the move by John Cooney to bat lower down was about to pay dividends.

John joined Brian Garde and with steady, well-disciplined batting took the Altona score to within 13 runs of the Telegraph total before Garde was out 18 runs short of the coveted century.

Garde had played a well-judged hand and considering his 40 runs in his previous hand should prove a big worry for the opposition in the forthcoming finals.

Ken Duff was sixth wicket down and had no trouble in taking the score to 6-280 at close of play.

The team had performed excellently in chasing the opposition's high score and surely must become a force to be reckoned with in the final series.

Note: There is no truth in the rumor that Dave Naughton will field on the boundary

in future after his brilliant catching of one of Jim Page's sixes.

C GRADE
ALTONA DOWN IN CLOSE FINISH

Altona, resuming at 5 for 35, in reply to Spotswood's 108, found runs hard to come by last weekend and were finally dismissed for 97, just 11 runs short of first innings points.

Rodney Gray and Graeme Hosken commenced the day quietly and appeared to be untroubled by the bowling although finding the field hard to pierce.

The remaining batsmen (excepting Hitchcock 25) were all out quite cheaply.

With only time to play out Spotswood were content to gain batting practice and at stumps were 9 for 135 with Noel Michael claiming five wickets.

This loss makes Altona's task of gaining a finals berth most formidable with a lot depending on results of other games.

COACHING CLASSES

Coaching classes for 1970 start on Friday, February 6, at 3.50 p.m. Once again Altona is very fortunate to have the services of LTAV professional coach John Ryan.

Last year Mr. Ryan succeeded in building up such a large number of junior members that it has become necessary to use the Refinery courts until further courts are built for the club.

Williamstown Sailing Club

Gusty southerly winds caused many upsets in the 6th Aggregate race and Grant Owens in his new Kitty "Impulse" raced away to take line honors and the handicap.

Departing ships were a hazard to the flying catamarans and there were a few heartbeats missed when "Joy," N. Simons, capsized near the path of a freighter. Mirror class boats were equal to the test while Chris Tacy's Arafina "Y Cat" sailed his best race for the season.

Results 6th Aggregate race: Line Honors and 1st on handicap, G. Owens, "Impulse," 55 mins., 28 secs.; 2nd, "Y Cat," C. Tacy, 56 mins., 35 secs.; 3rd, "Pao," M. Taylor, 58 mins., 4 secs.

DARTS

Gellibrand No. 1 beat Bristol Hotel 7-5 in the final of the Altona Star Knock-out Cup.

There is no doubt that Gellibrand were the better side on the night although full credit must go to Bristol for their fightback from six games down.

Douglas and Turner played well for Gellibrand while Stirk and Bennet were good for Bristol.

Due to lack of communication the final results of Division 2 in the Summer League are not known.

The winners of Division 1 were Bristol Hotel who scraped home on averages, runner-up being Pioneer Hotel.

All clubs who wish to enter the Winter League please note that the annual general meeting will be held at the Powell Hotel on Tuesday, February 17.

This meeting will be the last for nominations and, as usual, office-bearers and committee will be elected.

All clubs should be financial on or before this meeting.
